## General Inventory for Space Mission \#\#2075-SCM-BT1A

General B.G.FAURIE
UNSC, Building Spoutnik 015
Space Missions Command 405 E and 42nd St,
New York, NY 10017, USA
Please fill this form to list all the lab equipment you will need for your space mission. Make sure that the total weight of the lab package is correct before returning the form to your mission officer. Use the regulation UNSC-127WLBM-2045-1A for lab material weight and safety information.

| UNSC-code | Unit weight <br> (kg eq. Thrust) | Number <br> of units | Total weight <br> (kgeT) | Specific safety rules |
